

Mountain Mover Athletic Scholarship

The Mountain Mover Athletic Scholarship was established in 2024 to support student-athletes who demonstrate financial need and are committed to excelling both on and off the field. This needs-based scholarship is designed to help cover athletic costs, ensuring that financial barriers do not hinder our athletes from reaching their full potential. There are five \$200 awards available per year to help offset athletic fees for students who participate in Varsity/JV Volleyball, Varsity Soccer, and Varsity/JV Mens' Basketball, and Women's Varsity Basketball.

Applicants must apply for this scholarship, providing an opportunity to those who truly embody the spirit of perseverance and dedication. The Mountain Mover Athletic Scholarship aims to empower our athletes, helping them climb higher and achieve their dreams.
